Dated Bangalore, 2nd December 1918.

From

Deputy Commissioner,
Bangalore District.

To

C.S. Balasundaram Aiyar, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of
Mysore. Bangalore.

S i

With reference to your Memorandum No.G.9145/P.P.143-18-3 dated 21st November 1918 forwarding for report the petition addressed by the residents of Kankanhally regarding the dearth of food stuffs etc., I have the honor to state that the allegations were fully enquired into by the Assistant Commissioner, Closepet Sub-Division, and from his report it is seen that on account of the prevalence of influenza at the time that the petition was drafted, the traffic was almost at a standstill in the Taluk as in other Taluks; consequently sufficient quantity of food grains were not coming to Santhes. Now that the disease has completely abated arrangements have been made by the local authorities for the supply of ragi in larger quantities.

2. It is no doubt true that during normal conditions, rice was being imported to Kankanhally and other Santhes from the Mysore District. The cross traffic having now

(7)

been stopped under the recent Government Order rice will no -longer be imported from Mysore. Therefore arrangements are being made to supply rice to the Taluks from the District Depot.

3. With regard to the 3rd allegation about their not finding a ready sale for their goods on account of the dearness of yarn, I am taking action in the Conference Department to relieve their distress by granting small loans under the head "Loans for small Industries."

The petition is herewith returned

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,
Bangalore District.

CHIEF SECRETARY

P.N. 4348

Respected Sir,

We the residents of Kankanahalli in Bangalore District beg to place before you the following grievances of ours for your kind consideration.

The orders of Government passed recently regulating the food supplies had been in force for some time past in this place. Then the situation was tolerable. Now that these orders are apprently not observed here for the past few days, the prices of food stuffs, especially of Rice and Ragi, have gone up abnormally high and even at such prices for two or three weeks, Ragi was not available in "Santhes". Therefore the sufferings of the poor cannot be adequately described.

The Chief reason for such a state of affairs is that the local authorities are apparently indifferent towards the sufferings of the poor and that proper measures have not been undertaken to keep the Town under the Sanitary conditions.

At present the Cotton Yarn is so very dear that the poor weavers of this place are at a loss to find a suitable market for their goods and their complaint to the local authorities has been of no avail.

We, therefore humbly request you to acquaint yourself with the actual condition of the poor people here and to ask the Deputy Commissioner and the Registrar of Cocoperative Societies to visit the place and to do the needful to alleviate the excessive troubles to which we have been subjected.

Hoping

Hoping that you will be kind enough to effect a speedy remedy,

KANAKANAHALLI,
BANGALORE, Dist.
8th November 1918.

We beg to remain,
Your Most Obedient, Loyal & Humble
Subject,
